

RAIN POLICY ZOO NIGHT 2019

The “Zoo Night 2019” event will be held at the Budapest Zoo on Friday 30 August 2019 from 7 p.m. to 12 midnight. The Zoo begins to hold the event even if it rains, and most of the programme will take place. We ask our visitors to wear protective clothing against rain in this case.

In the event of extremely dangerous weather (in the event of an emergency alarm issued by the National Meteorological Service), the Zoo will issue an announcement of the cancellation of the event no later than 5:00 p.m. on the day of the event at <http://www.zoobudapest.com> and/or on the Zoo’s official Facebook page at <https://www.facebook.com/>. If no notice is published, the Zoo will be preparing to hold the event.

However, the Zoo reserves the right to cancel the event on the spot, or to interrupt the event, if, after 5:00 p.m. such extreme weather occurs that could endanger visitors.

If an unexpected, extraordinary, life-threatening and unpredictable weather phenomenon occurs prior to the start of the event or after the programme has started, which does not allow the programme to be held, the Zoo shall consider it as a force majeure event and the entry fee will be refunded.

In this case, however, for reasons of equity, the Zoo offers the opportunity to offset the tickets purchased for the program against the purchase price of a ticket for a normal Zoo visit after 2 September 2019, but no later than December 31, 2019, on a single occasion or even towards the price of an annual season ticket.

Since the so-called common ticket valid for the Zoo and the Budakeszi Wildlife Park and Tropicarium may be used for the weekend after the Zoo Night at the Budakeszi Wildlife Park and Tropicarium, the redemption of a common ticket will therefore be set off only at the prepaid ticket price of individual Zoo tickets.

As described above, only those tickets not used due to weather force majeure events may be redeemed. In other cases, purchased tickets are not redeemable and may not be used on other occasions.

Please keep in mind the above when purchasing your ticket.

The Budapest Zoo wishes you a pleasant stay.
