Zoo at Night 2026

The “Zoo at Night 2026” event will be held at the Budapest Zoo and Botanical Garden on Friday, 28 August 2026, from 19:00 to 24:00.

The Zoo aims to start and continue the event even in the event of passing showers, rain or uncertain weather conditions, while, of course, taking the safety of visitors into consideration. Most of the programmes will go ahead as planned.

Some of the events during Night of the Zoos 2026 will take place outdoors, so we recommend that visitors dress appropriately for the weather. If necessary, please bring warm and waterproof clothing.

In the event of unfavourable and extremely dangerous weather conditions (such as an emergency weather warning issued by the Hungarian Meteorological Service), the Zoo will announce the cancellation of the event no later than 16:00 on the day of the event on the [official Zoo website](#) and on the Zoo’s official [Facebook page](#). If no such announcement is made, the Zoo will proceed with preparations to hold the event.

However, the Zoo reserves the right to cancel the event on site or interrupt an event that has already started if unexpected adverse weather conditions develop after 16:00 and may pose a danger to visitors.

If an unexpected, extraordinary and unforeseeable weather event occurs before or at the start of the event that poses a threat to life or property and makes it impossible to hold the event, the Zoo will consider this a force majeure event and will not refund the ticket price.

In this case, however, as a gesture of goodwill, the Zoo offers visitors the option of using the purchase value of tickets bought for the event once, after 29 August 2026 and no later than 31 December 2026, towards the purchase of a regular Zoo admission ticket or an annual pass.

Please keep your ticket until the end of the event, as it will be required to make use of the above goodwill option.

Only tickets that remain unused due to a weather-related force majeure event may be used in the manner described above. In all other cases, purchased tickets are non-refundable and cannot be used on another occasion.

Please take the above information into consideration when purchasing your ticket. Thank you for your understanding.

The Budapest Zoo and Botanical Garden wishes you a pleasant time!
